WHAT CAN I EXPECT FROM OUR FIELD TRIP?

Upon entering the ranch, the bus driver will be directed to the parking lot where a staff member will be waiting to greet you. Depending on the size of your group, our staff will divide your classes into 2 groups. One group will start walking the drive-thru portion of the ranch and the other will start at the walk-thru portion of the ranch which includes the petting zoo and the baby ranch. After switching we encourage you to stay for a picnic! We have picnic tables located in the red barn just across from the parking lot as well as some scattered throughout the walk-thru.
